**COMPANY PROFILE**  
**(Machine Division)**

**MESSAGE FROM MD's DESK**

**Cu-Built Engineers Pvt Ltd** is an ISO 9001:2015 Certified company, incorporated in the year 1995. We are well known by our trade mark "Custom Built". We are pioneer in the field of Design, Manufacturing, Supply, Erection & Commissioning of the complete range of Welding Automation Systems, Special Purpose Machines, Industrial Cranes and Material Handling Systems.

Under the visionary guidance of our respected Managing Director Mr. P. S. Patil, we have attained distinguished position in the market. His vast domain expertise as well as business acumen have supported us in enlarging our operations globally.

**Mr. Pandurang S. Patil**  
**(Managing Director)**

Our foundation is strong considering some of our pillars in each and every field i.e. Production, Design, Marketing & After Sales Service. These pillars play role of backbone for the growth of our organization. The motto of our organization is to promote reliable After Sales Service too!

In Satara District of Maharashtra we started our Heavy Fabrication Unit 9 years back. Now we have 3000 MT Structural Fabrication Capacity per month in our existing capacity. We have a lot of equipments & machinery Facilities for Heavy Fabrication. Herewith we are attaching details of our available facility. We have 1,14,500 m<sup>2</sup> total land & 6,000 m<sup>2</sup> + 25000 m<sup>2</sup> Covered shed available at our Satara Works.
